HE SCOUTED ALL THE
CLUB MEMBERS OF
ALL THE OTHER CLUBS
AND MADE THEM INTO
AN IDOL GROUP

In the cold night air of the town

Look! now it's all a nureyo

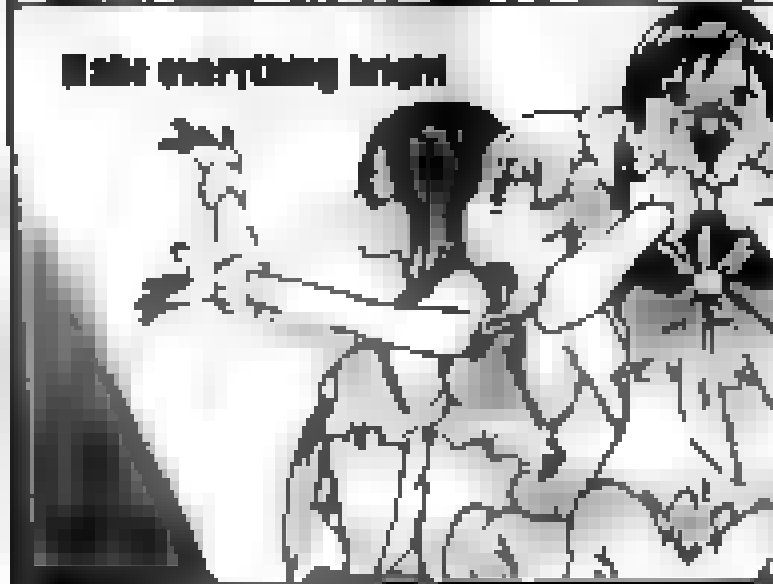

And the new gods in the black are flowing with light

Something falls straight from the sky

Make everything bright

Cast a spell

Ah, the town's embrace is so tight!

FROM THINGS STONE NOW

Let hearts and corners in a single beat

Let's offer you

What we're feeling now

Let's be more

3.14.12

Wandering around in the night

I found a key that opens everything

I was looking for the day I would find it, but

What a simply foolish girl I am,

hanging across the roof

Use it!

I was waiting for a miracle to happen

Is so tight

Aah, the town's embrace

What we're feeling now

Stand up.
Who wants to dance?

Stand up.
Who wants to dance?

Stand up, who wants to dance?

Stand up, who wants to dance?

Stand up, who wants to dance?

HAVE
EVERYONE
HEAR "TA"
FLAMM
BEAT?

DANCING IN THE
STREET, BABY

Stand up,
who wants to dance?

IT'S
ALL
ABOUT
DANCE

Stand up, who wants to dance?

Stand up, who wants to dance?

AHH?

DANCING IN THE
STREET, BABY

HAVE
EVERYONE
HEAR "TA"
FLAMM
BEAT?

Let's offer up

Every last bit of our grief

Strong feelings, Strong love

Our hearts will connect in a single beat

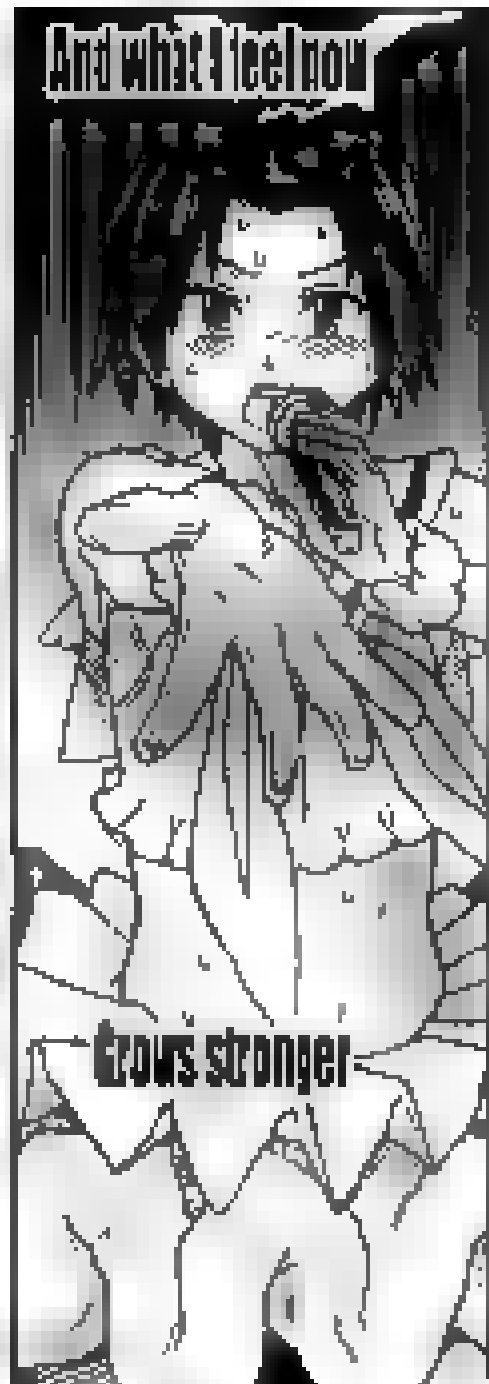

And stronger

And stronger

And what I feel now

Grows stronger

A vast river

You and I cross

And you can tell

And you can tell

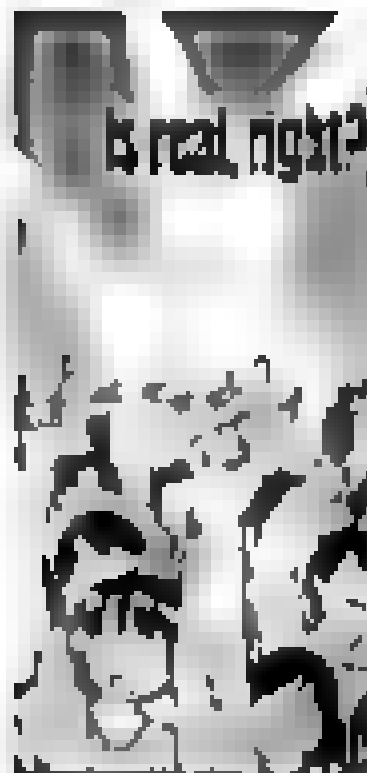

I've been crying

A stream can't hold more

The two of us brought

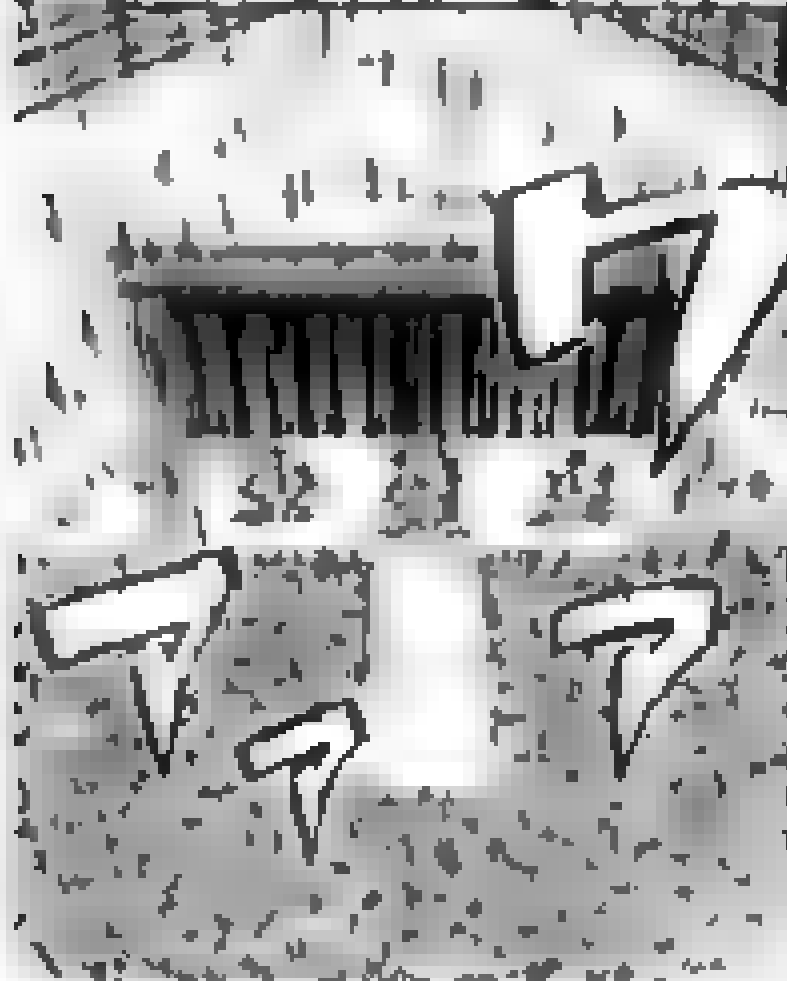

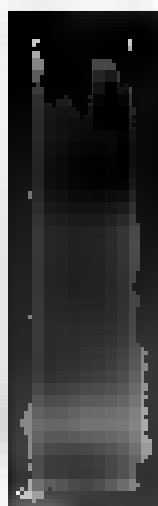

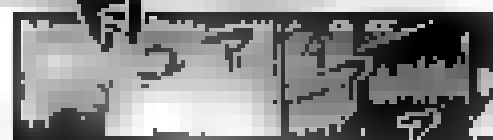

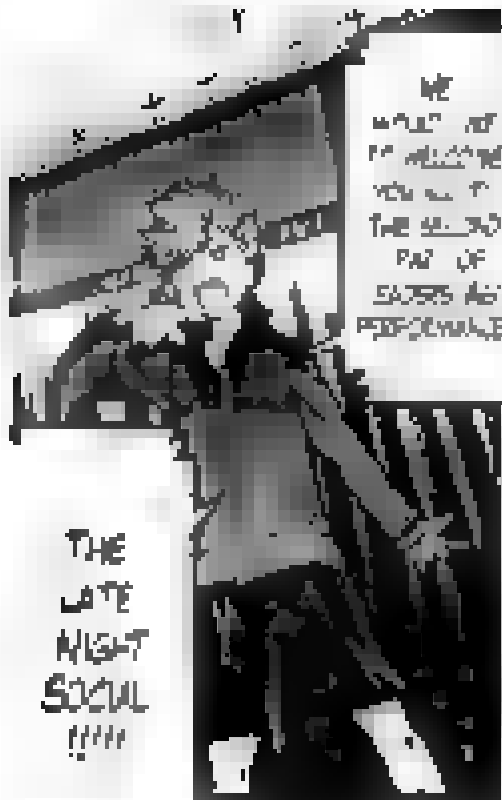

Is real, right?

What we're looking for

WE
WANT
TO
WELCOME
